One Voice, Shining Through the Darkness

**Wednesday, May 11 –
Saturday, May 14, 2005**

Whether in Manhattan or Malaysia, Madagascar or Moscow, Montreal or

Melbourne, the world is engulfed in spiritual and sexual darkness. Exodus Global Alliance is a culturally relevant worldwide organization that is proclaiming the Biblical message of freedom from homosexuality by unifying and equipping the Christian community to minister to those affected by homosexuality.

Through a variety of services, including this exciting conference, it is presenting one voice, the voice of truth about God's forgiveness and grace. It is indeed, *One Voice, Shining Through the Darkness.*

People the world over are being hurt by homosexuality, prostitution, sexual abuse, gender changes, pornography, sex before marriage and sex outside of marriage. As the world promotes more sexual freedom, increasing numbers of children, teens and adults are struggling with these issues.

Satan relentlessly attacks humanity at this vulnerable point to the extent that virtually every human is touched in some way by issues surrounding sexuality, our one common area of great joy and profound weakness.

It is time for the church to become one voice, offering a beacon of grace and truth that shines through the darkness. Pastors, leaders, parents, counselors, students and church members need to lift their voices as one, and share the truth about God's plan for sexuality and moral purity. They also need to voice and demonstrate the grace of God to those who bear the damage of fallen sexuality.

One Voice, Shining Through the Darkness, a conference for today will inform, inspire and offer hope. You will learn that grace and truth always win out over fear, hate and ignorance. Debate and persuasive conversations have often intrigued minds, but it is the love of God that transforms hurting hearts.

Come and become part of one voice shining through the darkness with grace and truth!

Dr. Thomas Wang, renowned around the world, will be the opening speaker at this year's conference.

Sy Rogers

Sy was a homosexual, prostitute and transsexual before coming to Jesus Christ. His life was filled with rejection and frustration. He has traveled through same-sex attraction, homosexual university life and street prostitution. He was involved in the occult and gay-church scene. He attempted to become a woman through a sex change.

Then God intervened and transformed his life bringing healing and real change. Sy will share his story and deal with questions such as:

- How bad is the problem of sexual brokenness and damage in our church?
- Why do Christians have such problems?
- Why haven't we addressed them better?
- What can I do to manage my own vulnerabilities better?

Rev. Darryl L. Foster

Rev. Foster was born into an African American family in Texas. Growing up without a father figure to love him, sexually molested as a boy, rejected by his peers, he felt pulled toward homosexuality which he embraced in College. After years involved with it in all its devaluing forms he felt unloved and worthless.

But God's love reached him and he found true and lasting change through His healing power and grace.

Darryl became a pastor, husband and father. He founded the Restoration Sanctuary International Church in Atlanta, Georgia, as well as WITNESS1, an outreach ministry to men and women of color trapped in unwanted homosexuality.

He is the author of a groundbreaking book, *Touching a Dead Man: One Man's Explosive Story of Deliverance from Homosexuality*. He currently serves as the Executive Director of Powerful Change Ministry Group International.

Carla Pinheiro

Carla is the Director of Moses, an Exodus member ministry in Brazil, and Chairperson of the Exodus Brazil Board.

Carla says, "I fell in love with a girl friend at 17 years of age. I thought that life was good. I drank a lot. I lost everything my father gave me. Then I learned that God loved me. When I accepted Jesus into my heart I felt peace and tremendous joy. Today I feel washed, sanctified and justified because of what Jesus Christ did on the cross. Today I am actively involved in my church and the director of a ministry to homosexuals."

Benjamin Devadason

Pastor Devadason, born in Sri Lanka, has spent 30 years in a ministry that touches Buddhists, Hindus, and Muslims. He specializes in training people to be able to reach out, cross-culturally, to people from countries such as India and Sri Lanka. He is a very dynamic conference speaker.

Jenny Li

Jenny was born in Taiwan, and is a director of an Exodus member ministry. She shares her story of coming to know Jesus as a lesbian. It was 2 years after her decision that she realized God was calling her to leave this lifestyle and serve homosexuals.

Now, having been involved for 8 years in helping others, Jenny is an up and coming Exodus leader who is burdened to serve homosexuality in Mainland China.
