Dear Members of Exodus Global Alliance and affiliates;

In April 2007, Joseph Vijayam (chairman of the Exodus Global Alliance International Board) sent a letter informing the members of Exodus Global Alliance that Patricia Lawrence has announced that she will finish her term as Executive Director in May 2008 and that the International Board has formed a Search Committee to search for a new executive director.

As Chairman of the Search Committee, I am writing to you about the work of the Search Committee.

The International Board formed a Search Committee from members of the International Board. The Search Committee has defined the search process that we will be using and formulated a job description that will be used in the search process. A copy of the Job Description has been attached to this letter.

The Search Committee has also prepared a special section on the Exodus Global Alliance website to provide additional information work about our work, advise you of our plans, and express our desire to receive any suggestions you may have. The link to this section is www.exodusglobalalliance.org/searchcommittees88.php.

If you want to apply, please review the job description, then go to the search committee's webpage and download a copy of the application form. Complete the application form and prepare the additional documents that it asks for. Follow the instructions on the website to submit your application. When your application is received, we will send you a confirmation notice. It will contain information about the rest of the application process.

If you know someone who you believe would be interested in this position and someone you would recommend please send them this information and invite them to apply.

If you have any questions, you are invited to send them to the Search Committee by email to search.committee@exodusglobalalliance.org.

Please pray for Exodus as we go through this change. Pray that God will call the person that He wants to lead Exodus Global Alliance and that the Search Committee and the applicant will respond to God's call. The need around the world continues to grow. The challenge continues to be great. But working together under God's direction, we know that change is possible.

Alan Chambers
Search Committee Chairman
